

# Orange Circular Cable

1.5 & 2.5 mm Orange Circular Cable

## Cable Structure

## Application

Typically used for Power Mains, Sub mains and sub circuits enclosed, unenclosed in conduit for residential building, commercial, industrial plants.

## Insulation Material

X-90

## Insulation Colors

Red, Black, Yellow/Green

## Sheath

5V-90

## Sheath colour

Orange

## Temperature Range

Rated Voltage: 0.6/1kV

Standard: AS/NZS 5000.1

## Packing

100m

## Specification

Model No	Size	Conductor Consturction	Insulation Thickness	Sheath Diameter
FFA OCC-2C-1.5	1.5	7 x 0.66	0.7	10.3
FFA OCC-2C-2.5	2.5	7 x 0.67	0.7	11.2
